

TECHNICAL ARTICLE TITLES IN THE DFID TRANSPORT NEWSLETTERS

Issue No	Month	Year	Articles
1	Nov	1995	Road safety work in Malaysia.
1	Nov	1995	Building bridges in the Philippines.
1	Nov	1995	Sustainable transport: World Bank sector policy review.
1	Nov	1995	Reducing earthwork failure risk on roads.
1	Nov	1995	The MART initiative (Management of appropriate road technology).
1	Nov	1995	The initial effects of introducing commuter bus services in Harare.
1	Nov	1995	The use of marginal quality aggregates for bitumen surfaced roads.
1	Nov	1995	Time, tasks and trading: Women's transport needs in developing countries.
1	Nov	1995	Design of dense bituminous surfacings for climbing lanes.
1	Nov	1995	Mechanisms for improved energy efficient in transport.
1	Nov	1995	Costing road accidents in developing countries.
2	May	1996	The importance of transport services in improving rural accessibility.
2	May	1996	Rehabilitating concrete pavements.
2	May	1996	Making concrete from local materials.
2	May	1996	International study of highway development and management tools (HDM-4).
2	May	1996	The MART initiative (Management of appropriate road technology): Workshop in Zimbabwe
2	May	1996	Socio-economic costs of road accidents.
2	May	1996	Research on freight operations in Africa.
2	May	1996	TRL Urban Transport Adviser in Ghana.
2	May	1996	Road safety in the ESCAP region.
2	May	1996	Sustaining development in Vietnam: bridge rehabilitation and highway investment and maintenance.
3	Nov	1996	ODA (DFID) presentations to the Institution of Civil Engineers.
3	Nov	1996	Improving the management of road networks.
3	Nov	1996	MART (Management of appropriate road technology) equipment challenge: management of intermediate equipment.
3	Nov	1996	Reducing black smoke and fuel consumption in diesel vehicles.
3	Nov	1996	Road safety education in primary schools.
3	Nov	1996	Road safety seminar in Bangkok.
3	Nov	1996	Environmental and energy models for HDM-4.
4	May	1997	The International Forum for Rural Transport and Development.
4	May	1997	Rural transport in sub-Saharan Africa.
4	May	1997	Low-cost animal carts.
4	May	1997	Promoting local materials for road construction.
4	May	1997	Travel behaviour in urban households.
4	May	1997	Spanish version of 'Towards Safer Roads' launched in Chile.
4	May	1997	Rural transport training programme.
5	Nov	1997	PTRC to twin with the Egyptian National Institute of Transport.
5	Nov	1997	The use of the Micro-computer Accident Analysis Package in sub-Saharan Africa.
5	Nov	1997	Review of national Road Design Manual (Kenya).
5	Nov	1997	Sub-Saharan Africa Transport Policy program: Urban transport

			component.
5	Nov	1997	Community participation in road maintenance.
5	Nov	1997	Obituary: Dr R S Millard.
5	Nov	1997	Pedestrian vulnerability and accidents.
5	Nov	1997	Why spend a billion dollars? Mass transit systems.
5	Nov	1997	Overseas Road Note 17: Road safety education in developing countries.
6	May	1998	Low cost structures for rural roads.
6	May	1998	A comparison of freight transport operations in Tanzania and Indonesia.
6	May	1998	MART (Management of appropriate road technology): preparation of guidelines.
6	May	1998	Impact study on the effect of metro systems on the urban poor.
6	May	1998	DFID funding of road improvements in Belize.
6	May	1998	Recycling of bituminous road materials.
7	Nov	1998	TRL begins research programme in the Philippines.
7	Nov	1998	Applying DFID earthwork research.
7	Nov	1998	Urban transport performance indicators.
7	Nov	1998	Sub-Saharan Africa Transport Policy: the 1998-2002 Development Plan.
7	Nov	1998	Road safety improvements in Nepal.
7	Nov	1998	The disaster of traffic accidents.
7	Nov	1998	TRL Overseas Road Note 15: Guidelines for the design and operation of road management systems.
7	Nov	1998	Balancing the load: How gender relations affect transport deprivation.
8	May	1999	Road research in Indonesia.
8	May	1999	Availability of rural transport services in sub-Saharan Africa.
8	May	1999	Guidelines for the development of tractor based contractors.
8	May	1999	Release of HDM-4 imminent.
8	May	1999	Planning and investment modelling.
8	May	1999	Designing concrete mixes using local materials.
8	May	1999	Workshop on livelihoods of poor people.
8	May	1999	Global business partnership for development.
9	Nov	1999	Engineering knowledge and research strategy: 2000-2005.
9	Nov	1999	Towards better roads in southern Africa.
9	Nov	1999	Funding issues for low volume roads.
9	Nov	1999	Maintaining low cost rural roads effectively.
9	Nov	1999	Bus safety problem highlighted.
9	Nov	1999	Getting to the root of the problem.
9	Nov	1999	Rural road safety by design.
9	Nov	1999	TRL research capabilities enhanced.
9	Nov	1999	World Road Congress, Kuala Lumpur.
10	May	2000	Managing unpaved roads in developing countries.
10	May	2000	Building good roads with 'poor' materials.
10	May	2000	Enhancing effectiveness of the transport services entrepreneur.
10	May	2000	Low-cost, innovative access to health services.
10	May	2000	Improving public transport quality and access for the urban poor.
11	Nov	2000	Rural transport policy toolkit.
11	Nov	2000	Road maintenance: people at the centre.
11	Nov	2000	Decentralization of road administration in poor countries.
11	Nov	2000	Teaching children to be safe road users.

11	Nov	2000	Global road safety partnership (Update).
11	Nov	2000	Under-reporting of road traffic casualties.
11	Nov	2000	Estimating global road fatalities.
11	Nov	2000	Improving soil engineering properties with additives.
11	Nov	2000	Better design for highway slopes in tropical soils.
11	Nov	2000	Implementing HDM-4 across the world.
