Overseas Road Note 3 (2nd Edition)

A guide to surface dressing in tropical and sub-tropical countries

ORN 3 (2nd Edition)

Subsector: Transport

Theme: T2

Project title: A guide to surface dressing in tropical and sub-tropical countries

Project reference: D251

This document is an output from a project funded by the UK Department for International Development (DFID) for the benefit of developing countries. The views expressed are not necessarily those of the DFID.

IRL is committed to optimising energy efficiency, reducing waste and promoting recycling and re-use. In support of these environmental goals, this report has been printed on recycled paper, comprising 100% post-consumer waste, manufactured using a TCF (totally chlorine free) process.

ACKNOWLEDGEMENTS

This Overseas Road Note was produced in the International Division of TRL (Director Mr S W Colwill) on behalf of the Department for International Development. The research has been carried out with the active collaboration of highway authorities in many countries and their help and cooperation has been essential to the success of the project. The TRL project team responsible for this Road Note were Mr H R Smith (Project Officer), Dr J Rolt and Mr W G Ford. The helpful comments of the World Bank are gratefully acknowledged. Where necessary, use has been made of work published by other research and road authorities.

OVERSEAS ROAD NOTES

Overseas Road Notes are prepared principally for road and transport authorities in countries receiving technical assistance from the British Government. A limited number of copies is available to other organisations and to individuals with an interest in roads overseas, and may be obtained from:

International Development Advisory and Information Unit
